## CHRISTMAS DINNER HONORS FOOTBALL AND SOCCER PLAYERS

The annual Christmas Dinner was held on Friday evening, December 18. Following an excellent dinner, the evening program began with Mr. Richard G. King, formerly of the Governor Dummer faculty and now Director of the Office of Tests and a member of the Admissions Committee of Harvard College, serving as toastmaster. This year's guest speaker was Dr. Clifford E. Barbour, President of the Western Theological Seminary in Pittsburgh, Pennsylvania.

The remainder of the evening program was devoted to sports. The two varsity teams were credited for their respective seasons. Coach Howard J. Navins, in a brief speech, lauded his undefeated soccer team, which won the Gummere League Cup for the second consecutive year, for the players' great spirit during the season.

In his speech to the football team, Coach Arthur W. Sager voiced his appreciation of the excellent drive and spirit shown by the team during the season. Following the speeches, varsity letters were awarded, next year's captains were announced, and the Most Valuable Player Awards were presented.

Directed by Mr. Sager, everybody sang Christmas carols, thus ending the evening in the traditional way.

### CAPTAINS-ELECT OF SOCCER AND FOOTBALL NAMED AT DINNER

#### *Entire Team Receives Most*

#### *Valuable Player Award in Soccer*

Coach Howard J. Navins stated at the Christmas Dinner that he had found it wholly impossible to choose any member of this year's undefeated soccer team as "the most valuable player" and that he was, therefore, forced to nominate the whole team for that honor. He called upon Captain David M.

DR. CLIFFORD E. BARBOUR  
Speaker at the Christmas Dinner

Hicks to come forward and receive the cup on behalf of his teammates.

An unusual situation developed when it was announced that Donald J. Hicks of Worcester had been elected captain of the 1954 soccer team to succeed his brother Dave, who had captained the 1953 team in the highly successful season just completed.

#### *Carl Pescosolido Named Most Valuable Player for 1953 and Captain-Elect of the 1954 Football Team*

Carl A. Pescosolido, Jr. of Ipswich received the Most Valuable Player award in football. A versatile quarterback whose passing sparked many of the Governors' touchdown drives in the past season, Skip has also been elected captain of the 1954 team.

MR. AND MRS. EAMES  
HOLD RECEPTION FOR  
NEW YORK PARENTS

---

On Tuesday afternoon, December 8, in the ballroom foyer of the Roosevelt Hotel in New York City, Mr. and Mrs. Eames held a reception for the parents of students and alumni of Governor Dummer Academy in New York City and environs. Mr. and Mrs. Eames, and Messrs. Dunning, Murphy, Navins, Ohrn, Sager, Stone, and Witherspoon of the faculty represented the Academy. About seventy-five parents attended.

The gathering was quite informal, but at one point Mr. Clarence Francis, father of the late Dick Francis '36, called for order and invited the Headmaster to address a few remarks to the parents. Mr. Francis, who is Chairman of the Board of General Foods, served for several years as a trustee of the Academy.

---

PARENTS' DAY DRAWS RECORD  
CROWD FOR ALL-DAY PROGRAM

---

This year over four hundred people came to Governor Dummer's seventh annual Parents' Day. The large gathering was entertained with a buffet luncheon, four athletic events, and the traditional Parents' Day Dinner.

During the afternoon the varsity football team and the varsity and J.V. soccer teams played host to Milton Academy teams. The Pony football team had a game with Emerson. An informal reception in the Cobb Room followed the varsity football game.

In the evening the dinner for the parents, faculty, and boys was served in the Alumni Gymnasium. After dinner the evening program began. Mr. Eames presided and welcomed the guests. Mr. Ohrn, Head of the French department, spoke informally, as did Mr. Simmons and Mr. Witherspoon.

---

STUDENTS ATTEND TEA DANCE

---

On Saturday, December 5, eighty-eight students travelled to the Walnut Hill School in Natick, Massachusetts, where they were entertained at a tea dance. The boys left Governor Dummer at two o'clock and returned by ten o'clock.

GLEE CLUB MAKES BOW AT  
CONCERT IN SALEM ARMORY

---

Governor Dummer's Glee Club continues to be a popular activity. This year's sixty-five members make it one of the largest the school has had. Mr. Arthur W. Sager is again serving as director, and Paul A. Getchell has been elected president. Two concerts, one at the Salem Armory before some 2,000 people at a gathering of the North Shore United Churches, and the second a joint concert with the Winsor School, have already been given. During the winter and spring terms, concerts with Dana Hall, Beaver Country Day School, and Walnut Hill School are planned. Perhaps the two most important concerts of the year will be the ninth annual concert of the New England Preparatory School Music Festival Chorus in Symphony Hall, Boston, on March 7, and the annual Commencement concert in June.

Among the selections that the club is doing this year are *The Musical Trust*, *The Drinking Song* from *The Student Prince*, *The Lord's Prayer*, *The Battle Hymn of the Republic*, the *Russian Picnic*, and *The Messiah*.

Several years ago a group of boys formed a double quartet and gave themselves the name of "The Meistersingers". The Meistersingers are now a regular part of the Glee Club, but this year the group for the first time has its own director, Mr. Albert L. Kerr. Their program includes *Talk About Jerusalem Morning*, *Landlord Fill the Flowing Bowl*, and *Kissing Me*.

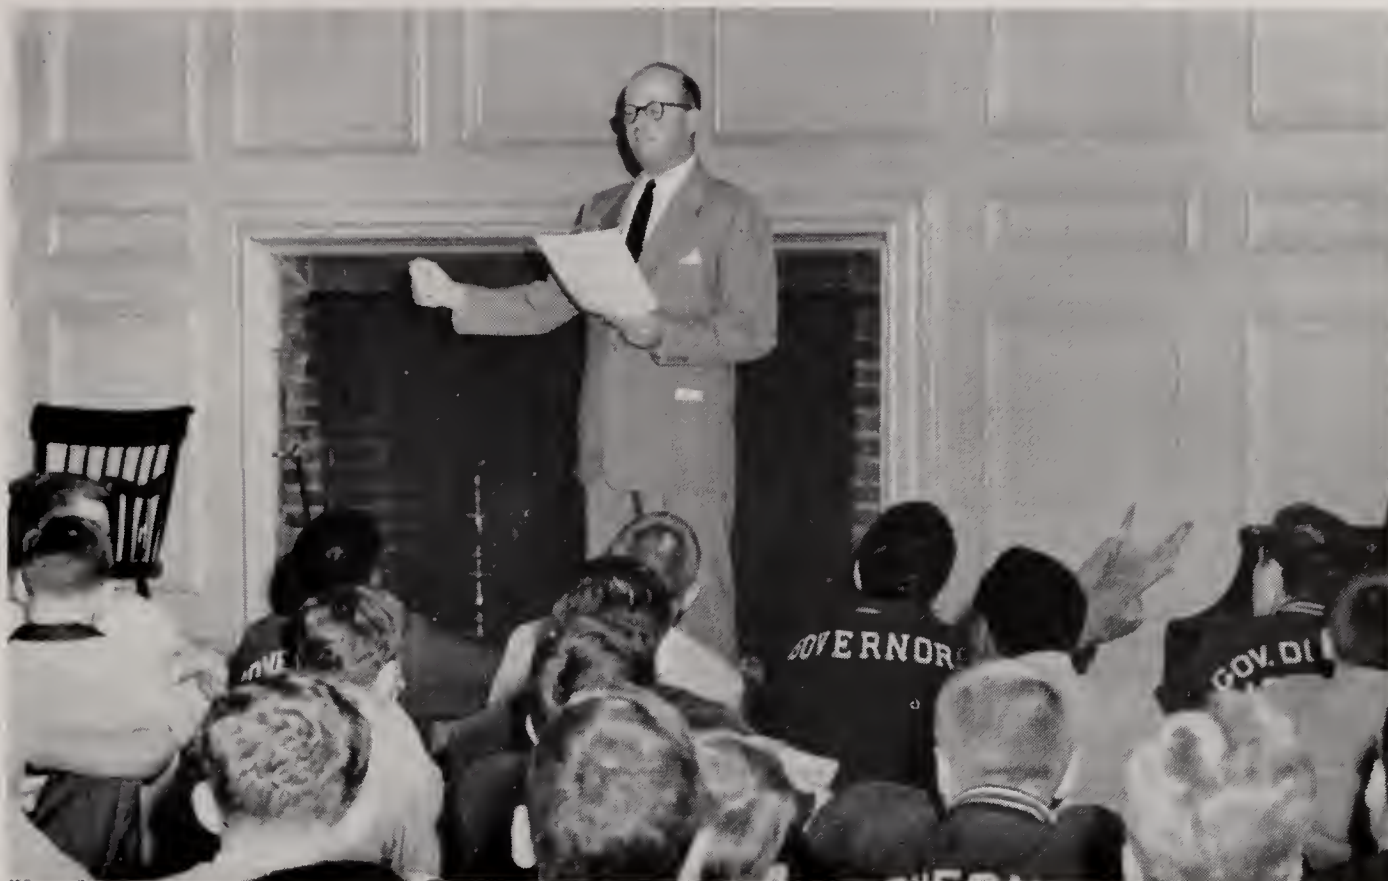

---

PAUL MORGAN, ALUMNI  
PRESIDENT, ELECTED TO  
WORCESTER CITY COUNCIL

---

Paul S. Morgan '41, President of the Alumni Association, was recently elected to the City Council of Worcester, Massachusetts. Paul's election was especially notable because it marked his initial attempt to attain public office and because he rolled up one of the greatest popular votes ever recorded.

Paul says, however, that he has no further political ambition and that his job as Assistant Treasurer and Clerk of the Corporation of the Morgan Construction Company is still his major interest.

*STUDENT SPEAKERS ADDRESS  
PORTLAND ALUMNI FATHERS*

A dinner for the alumni living near Portland, Maine, was held at the Lafayette Hotel in Portland on December 2. Invited were not only the alumni, but fathers of alumni and boys now in school, many of whom took advantage of the opportunity to renew their contacts with the Academy.

Besides Mr. Eames, the faculty who attended were Mr. Mercer, Mr. Murphy, Mr. Navins, Mr. Sager, Mr. Stone, Mr. Witherspoon, and Mr. Withington.

After the dinner Mr. Eames spoke on the school's scholarship aims and problems; John Andrew gave a summary of the 1953 football season, and David Hicks told the highlights of the 1953 soccer season.

The feature speaker was President Emeritus Kenneth M. Sills of Bowdoin College, who spoke on the value of private schools in the American educational system. An election of officers and the showing of school movies closed the program.

---

*HEADMASTER AND FACULTY  
VISIT ALUMNI IN COLLEGE*

Every year Mr. Eames and other members of the faculty attend several dinners scheduled for the alumni of the school at various colleges. Such meetings allow the alumni to get together with members of the Governor Dummer faculty and learn the news of the school. These occasions also provide an opportunity for Mr. Eames to keep in touch with the alumni and to follow their progress in college. Often there is a guest speaker and school movies are shown.

The first alumni dinner of the current year was held at the Lord Jeff Inn in Amherst on November 2. Alumni at Amherst College and also at the University of Massachusetts attended. The faculty in attendance were Mr. Eames, Mr. Navins, Mr. Ohrn, Mr. Augusta, and Mr. Witherspoon. David C. Esty, '50, organized the program and Mr. Eames acted as toastmaster. Brief talks were given by Mr. Eames and Mr. J. Alfred Guest, Amherst's alumni secretary. Mr. Navins and Mr. Ohrn

## AROUND THE CAMPUS

### *ADMISSIONS OFFICERS FROM MANY COLLEGES VISIT ACADEMY*

During the fall term the Academy has enjoyed visits from the admissions officers of a number of colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Those visiting the school this fall were:

Mr. Forest K. Davis, Director of Admissions and Records at Goddard College, Plainfield, Vermont, on October 15.

Mr. Emery R. Walker, Jr., Dean of Admission at Brown University, on October 20.

Mr. Donald W. Cadigan, Assistant Registrar at the University of Massachusetts, on November 2.

Mr. Richard G. King, Director of the Office of Tests and member of the Committee on Admission at Harvard College, on November 5.

Mr. Frank J. Gilliam, Dean of Students and Director of Admissions at Washington and Lee University, on November 11.

Mr. Stanley V. Wright, Director of Admissions for Men at Middlebury College, on November 16.

Mr. David S. Owen, Assistant Director of Admissions at Rensselaer Polytechnic Institute on November 18.

Mr. Robert S. French, Assistant Dean of Admissions at Colorado College, Colorado Springs, Colorado, on November 20.

Mr. Henry B. Kane, Director of the Alumni Fund and member of the Admissions Committee at Massachusetts Institute of Technology, on December 1.

Mr. C. William Edwards, Director of Admission at Princeton University, and Mr. Bernard Adams, on December 3.

Mr. Jonathan Pearson, III, Director of Admissions at Union College, on December 3.

Mr. James B. Lynch, Assistant Director of Admissions at Williams College, on December 10.

Mr. William R. Peelle, Alumni Secretary and Assistant Secretary of Admissions at Trinity College, on December 11.

### *BUMP HADLEY SPEAKS AT PRE-GAME RALLY*

On the night of November 13 a school rally was held in the Lang Gymnasium to express to the varsity football and soccer teams the school's enthusiasm and support in the approaching games with Belmont Hill School.

There was singing and cheering. Talks by football Co-Captains John Andrew and Dick Michelson and by soccer Captain Dave Hicks followed. Coaches Sager and Navins introduced the respective football and soccer captains.

Featured on the list of speakers were two guests, Manson Hall '47, a former Governor Dummer and Amherst athlete, and Mr. "Bump" Hadley, former New York Yankee pitcher and father of Buddy Hadley. The rally closed with more cheers and songs, with the school wishing the teams the best of luck. Refreshments were served afterwards.

### *ENGLISH-SPEAKING UNION SENDS BRITISH STUDENT TO GOVERNOR DUMMER*

Under the auspices of The English-Speaking Union, an organization set up to promote Anglo-American relations, Governor Dummer this year received its first English student since 1940. He is Paul H. Mundy of Weybridge, Surrey, England, a graduate of the Cranleigh School. He is one of twenty-two British students coming to America this year to attend such schools as Governor Dummer, Taft, Choate, and Phillips Andover.

From these schools and others, twenty-six American boys went to England to attend Harrow, Shrewsbury, Westminster, and other such schools.

The exchange is designed to give not only the boys who attend the foreign schools, but also their classmates, a more intimate knowledge of each other's background and so promote better international relations.

STUDENTS ATTEND DRAMATIC  
READING OF *JOHN BROWN'S BODY*

---

On Saturday afternoon, November 21, a group of students from the Governor Dummer English classes heard the dramatic reading of *John Brown's Body* directed by Charles Laughton at the Boston Opera House.

The group, organized by Mr. Mercer and accompanied by Mr. Ragle of the English Department, was particularly interested in the reading because *John Brown's Body* is a key book in the Governor Dummer third-year English course, of which the Civil War period is the central theme.

---

OPERATION FREE DAY  
SENDS SPECTATORS TO  
CLIMACTIC SOCCER GAME

---

The time was ripe. The fall-term athletics were in the last week, and already there were mysterious bits of paper tacked on the bulletin board hinting at the imminent arrival of Poohbah, the Push-ball Potentate. So the signal was given, and the members of a certain subversive organization began to carry out their assigned duties in a carefully planned project known as Operation Free Day.

The strategy employed by the committee involved, as it does in any project of such magnitude, an indirect approach to the achievement of the final objective. So, at high noon on Tuesday, November 17, a steady stream of students began to appear at the Headmaster's table, suggesting that spectator buses to the Browne and Nichols soccer game would be greatly appreciated. Many of the carefully planned arguments in favor of this move were discarded when it was discovered that Mr. Eames was very much in favor of it. Hope dimmed, however, when the Headmaster asserted that he approved of the trip only on the condition that the spectators did not miss any afternoon classes.

Mr. Eames immediately went into a closed conference with the boys at his table, saying that he was open to any suggestions. Many were made, but none would get the student body down to Cambridge in time for the game without missing an afternoon class. The time had come for the subversive organization to make the radical move on which hinged the whole fate of Operation Free Day.

VESPER SPEAKERS FOR  
WINTER TERM ANNOUNCED

---

*January 10:* The Reverend Frederick M. Meek of the Old South Church, Boston.

*January 17:* The Reverend Gerald B. O'Grady, Jr., Chaplain of Trinity College, Hartford.

*January 24:* The Reverend C. Daniel Boone of Ascension Memorial Church, Ipswich.

*January 31:* Mr. E. Francis Bowditch, Dean of Massachusetts Institute of Technology.

*February 7:* The Reverend James W. Lenhart of the State Street Congregational Church, Portland, Maine.

*February 14:* Dr. Robert Wood Coe, Executive Secretary of the Massachusetts Bible Society.

*February 28:* The Reverend J. Burford Parry of Hopkinton.

---

HEADMASTER AND FACULTY  
VISIT ALUMNI IN COLLEGE

(Continued from page 5)

---

reported on the news of the school, and Mr. Witherspoon concluded the evening by showing school movies. There were twenty-eight in attendance.

On November 10 Mr. Eames, Mr. Witherspoon, Mr. Navins, Mr. Sager, and Mr. Murphy went to Hanover, New Hampshire, where the Dartmouth dinner was held at the Hanover Inn. William E. Rex, '50, did the planning for the affair. Mr. Navins was the toastmaster and introduced Mr. Stearns Morse, Dean of Freshmen, and Mr. Robert K. Hage, Assistant Director of Admissions, both of whom gave short speeches. The ensuing talks by Mr. Murphy and Mr. Sager plus Mr. Witherspoon's movies presented the latest news from Governor Dummer. Seventeen alumni were present.

The next meeting took place on November 16 at the Princeton Inn. Mr. and Mrs. Eames and nine boys attended, and all had dinner and exchanged news. George D. Kirkham, '51, made the arrangements and no special program was included. The number of Governor Dummer alumni at Princeton has been increasing notably over the past few years.

## EDITORIAL

As is evidenced by the text of this magazine, Governor Dummer is having one of its finest years. The fall athletic program has now been completed; and the over-all record of thirty-two won, twelve lost, and five tied is indeed an impressive one. Scholastically, the school has an average between seventy-two and seventy-five, with forty-three boys having averages over eighty per cent. Extracurricular activities, such as the Glee Club, are now in full swing, and the students are settling down for the winter term ahead.

There is one aspect, however, that is not good. That is the unnecessary damage around the campus. This year, more even than in the past, there has been a considerable amount of damage which could have been prevented had we been a little more thoughtful. This damage, no doubt, is the result of carelessness and thoughtlessness on the part of the boys rather than maliciousness; however, the fact remains that it is done.

If we could stop this unnecessary damage, the workmen could spend more time improving the campus and athletic fields and less time repairing school property. The funds that are now spent purchasing lumber and other materials to repair the buildings could be used to great advantage in improving the campus.

The solution of this problem cannot be entrusted to any one group; but if everyone were conscious of the fact that this damage is taking place, we could reduce the loss and indirectly improve our school.

J. A. C.

## ROBERT P. DENNETT

It is with sincere regret that *The Archon* reports the recent death of Robert P. Dennett, a student at Governor Dummer in 1935 and 1936.

## ALUMNI NEWS

### *HADLEY '46 NOW AT HARVARD DIVINITY SCHOOL*

Robert L. Hadley is now at the Harvard Divinity School and is serving a part-time fellowship with the First Parish of Framingham. Mr. Hadley has joined the staff of the Unitarian Church school there and is director of the upper school. He is supervising a program of study and social activities conducive to religious understanding and fellowship.

Hadley attended Yale University for four years, majored in music, and received an A. B. degree in 1950. He joined the Navy in that summer and became a communications officer and a C.I.C. officer on active duty. Upon completion of his active duty with the navy, he entered the Harvard Divinity School.

### *DAVE YESAIR '50 LACROSSE CAPTAIN AT UNIVERSITY OF MASSACHUSETTS*

The University of Massachusetts is looking forward to its 1954 lacrosse season with Dave Yesair serving as captain of the team. Here at school he not only played lacrosse, but also displayed his leadership on the 1949 soccer team, of which he was captain.

### *ZINS' '36 NEW ATHLETIC DIRECTOR AT VERMONT ACADEMY*

Frederick L. Zins '36 has been appointed director of athletics at Vermont Academy in Saxtons River, Vermont, where he has been coaching baseball and basketball for ten years. Added to his coaching career will be administrative jobs and also some work as an instructor of history.

At Governor Dummer Zins played a full schedule of football, basketball, and baseball. Even more noteworthy, however, is the fact that he was captain and second baseman both of his Governor Dummer baseball team and of his team at Amherst College.

## CLUB NEWS

### *CAMERA CLUB SCHEDULES WINTER EXHIBITIONS*

The Camera Club, under the direction of Mr. Boyd Maunsell, is planning an eventful year. The club has scheduled an exhibition of national prize-winning pictures taken by students in other schools early in the winter term, followed by an exhibition of Camera Club pictures in the spring term.

### *RAYMER AND ENGS SPARK RIFLE CLUB*

Although often kept from the Ingham range by bad weather on weekends, the Rifle Club is still going strong. The fact that more boys are in the club this year than at any time before shows the club's spirit.

John Raymer and Martin Engs have sparked the club with fine target-shooting, and between times the club has cleared the range of brush.

### *OPERATION FREE DAY (Continued from page 7)*

"Let's have a free day tomorrow and call off all the classes. That would solve the whole problem. Why *didn't* we think of it before."

All during the afternoon the tension mounted. At the evening meeting an expectant hush descended over the student body as the Headmaster rose to begin the proceedings. The students held their breath. The realization that the Headmaster was not going to proclaim a holiday at South Byfield caused this breath to be exhaled in what might have been just the faintest suggestion of a groan. Hopes rose, however, when Mr. Eames announced that he had changed his mind and was willing to sacrifice one class to the cause to insure the arrival of the spectator buses by game-time.

And so it was that the efforts of Operation Free Day were not wholly in vain, that the student body, *en masse*, journeyed to Cambridge to watch the Governor Dummer soccer team finish an undefeated season.

# ON THE ATHLETIC FIELDS

## *FOOTBALL TEAM SUCCUMBS TO TABOR, ST. MARK'S, BELMONT HILL*

*By Stephen Ransom, III*

After rolling to three straight wins over Groton, St. Sebastian's, and Moses Brown, the Governor Dummer football team encountered the tougher portion of the schedule. Milton tied the Governors in the fourth game, and Tabor abruptly snapped the Redmen's winning streak in the fifth. In the following game the Redmen dropped a heartbreaker to St. Mark's, and on the next Saturday closed out the season with a defeat at the hands of a strong Belmont Hill eleven.

### *Milton Ties Governors on Parents' Day*

An enthusiastic Parents' Day crowd watched Milton Academy and Governor Dummer battle to a 13-13 stand-off on October 24. Late in the first period the Governors broke into the scoring column when Skip Pescosolido ran around right end from the Milton 20-yard line. Thornton Burke's attempt at the extra point hit the crossbar and bounded away.

In the second period Milton came back to score on a 26-yard run by Tony Marlow. The point after touchdown was good, and Milton led at half time, 7-6. Shortly after the teams had returned to the field for the third period, Tony Marlow raced 70 yards for a second touchdown. The attempt at the extra point failed, but Milton, nevertheless, held a commanding 13-6 lead.

In the last period the Governors capitalized on a recovered fumble deep in Milton territory and scored on a beautiful pass play from Pescosolido to Dick Moore. This time the Redmen passed for the extra point, and Pesky hit Dick Pew in the end zone. Late in the game the Governors marched to the Milton 11-yard line only to be held as time ran out.

### *Winning Streak Snapped at Tabor*

On the following Saturday the Governors made the long trip to Marion and encountered a powerful Tabor football machine. Tabor dealt the Redmen a stunning blow in the first

*(Continued on page 14)*

## *UNDEFEATED SOCCER TEAM BREAKS SCHOOL RECORDS*

*By John H. Raymer*

The varsity soccer team this year again captured the Gummere Cup, ended the season with an 11-0 record, and broke every existing school record doing it. The shattered marks were: most goals scored in one season for the team, — 41; most goals for an individual player, — 19 by Shad Tubman; least goals scored against the team, — 5. The team scored 25 goals in League competition and had only one scored against them.

After victories over Andover (5-2) and Noble and Greenough (7-0), the Governors went on to top Brooks and Belmont High School by identical scores of 3-1.

The fourth home game of the year was played against Milton Academy on Parents' Day. It was a 4-0 win for the Governors with a large crowd looking on in approval. Miles, Tubman, and David Hicks, the latter with two goals, were responsible for the score.

### *Governors Romp in Tabor Game*

At Tabor, in what was supposed to be one of the hardest games of the year, the Big Red rolled up a 3-0 score behind Dodd Miles and Shad Tubman, who pumped in two. Winning this one was a big help to the Governors' league aspirations. The Medford game which followed was perhaps the hardest one of the year and by far the most exciting. With only seven minutes to play, Dodd Miles scored a goal that loomed big, only to have Medford's center forward score one with just seventeen seconds remaining. In the overtime, Mr. Reliable, Shad Tubman, put in the winning goal to the right side of the cage after nicely faking the Medford goalie over to the left.

The St. Mark's team was the next victim, ending up on the short end of a 5-0 tally. Tubman, Dave Hicks, and Gerry Vaughan all scored once, while Dodd Miles was busy putting in two.

A game with St. Paul's, postponed from October 28, was played next, and again the Red team was victorious, 6-0. Shad Tubman

IT WAS PERHAPS BECAUSE COACH JOHN J. WITHERSPOON DIDN'T GET COLD FEET THAT HIS LIGHTNING FOOTBALL TEAM, SHOWN ABOVE, WAS UNDEFEATED

### *LIGHTNING FOOTBALL TEAM UNDEFEATED IN FIVE GAMES*

The Lightning football team enjoyed a tremendously successful season this year. It was undefeated in a five-game schedule and scored at least 20 points in each of the five for a total of 123 points for the Governors against only 39 for the opposition.

On October 14 the team opposed the Portsmouth eleven at South Byfield. The game was a bit sloppy, both teams fumbling often; but the Governors definitely had the edge and the combination of Tyler's line plunges and Gardner's end sweeps led to a 27-0 triumph.

#### *Haverhill Upset 28-6*

In the second game of the season the Governors' opposition was a team which in past years had consistently proved to be their toughest rival; but this year Haverhill's supporters were shocked at game's end when the scoreboard read 28-6 against them. A pass from Sgarzi to Colley broke the game wide open and the clincher was a Sgarzi kick-off return which hit pay dirt at the beginning of the second half.

Gaining experience, the Lightnings thoroughly routed the Brooks School Seconds 27-0 on October 21. Coach Witherspoon was able to use many second stringers, but again it was a combination of Tyler through the middle and Sgarzi and Gardner around the ends that hit the jackpot.

Newburyport was the next victim of the fast-moving Red team. Twenty to six was the tally with Sgarzi to Colley passes connecting all afternoon.

#### *Late Rally Fails To*

#### *Upset Governors In Final Game*

As the season drew to a close, the big question was whether the Lightnings could repeat their triumph over Haverhill who, it was well known, had improved markedly during the season. Led by Captain Sgarzi, the Governors went into the game with high spirits and completely dominated the first half scoring to roll up the lead 20-0.

Despite a late game rally by Haverhill, the Redmen emerged with a 28-20 victory to give them their first undefeated record and the best season in many years.

*J.V. SOCCER TEAM MAKES  
LATE-SEASON COMEBACK*

---

After losing to Andover and beating Belmont Hill 5-0, the Governor Dummer J.V.'s kept fighting and pulled through with a good season.

Facing the Belmont High J.V.'s again proved to be fortunate for the Governors. The team fought hard for three quarters but was unable to score until suddenly Jerry Elms, a sparkling left-inside, put the winning goal into the nets, with very little time remaining in the fourth quarter.

On Parents' Day, October 24, the Redmen faced a good Milton team. In the first quarter the Governors started off with a nice goal by Elms. The opposing teams managed to get one goal each in the third period, the Governors' tally being scored by freshman "Pucky" Jackson. Then Milton kicked in another, and after two overtimes the score still remained tied, 2-2.

On October 31 the Governors travelled to Tabor to win 3-0. Jackson and Littlefield made a goal apiece in the first quarter; and in the last quarter Peter Littlefield, the polished center forward, scored again.

On November 4 Mr. Stone led his squad out into the cold and windy elements to play Medford High. Although the Governors fought hard throughout the game, they lost 2-1 with Captain Dave Alven scoring the lone goal. Again on November 13 the team lost a close game to the Belmont Hill J.V.'s in their second encounter of this season. Pete Littlefield got the only goal in the second period.

In all the games this season, goalie Tony Gowen was a stand out, with three shutouts. Dave Hutt, the left wing, was also a vital part of the team.

---

*PONIES END SEASON WITH  
FIVE STRAIGHT VICTORIES*

---

Improvement has been the watch-word of this year's Pony football squad. Their first two games were their only two losses, and for the remainder of the season their record was clean, as they posted five consecutive wins.

Early in the season Chuck Duncan was elected captain. On October 14 the team

travelled to Ipswich, where the closest game of the season was played. The boys still needed organization and were subdued 20-13. Pescosolido accounted for all the points with two touchdowns and an extra point.

A bad defeat was in store for the Red as they played host to the Immaculate Conception of Newburyport in the following week. Outplayed by a much larger team, the Governors took it on the chin, 28-0.

Emerson provided the best game of the season, and a Parents' Day crowd cheered the Ponies on to a 33-0 victory. Dick Pescosolido again led the scoring and was accompanied by Bob Turnbull and Gale French, the three accounting for five touchdowns.

With a win under their belts, the Ponies showed Salisbury some tricks and came away once more on top of the scoring, 27-7. Kevin Leary pulled the play of the game by running a blocked punt back fifty yards for a tally.

In their return encounter with Emerson, seven men accounted for the scoring in a 47-0 victory. With increased confidence the boys then breezed by Newburyport, 20-6, Dick Pescosolido, Dick Ananian, and Gale French scoring.

Tension mounted as the final game, a return encounter with Ipswich, drew close. This was the real challenge of the season, and the whole team met it nobly, repelling their one-time conquerors, 32-12.

---

*PONIES SPLIT THREE-GAME  
SOCCER SERIES WITH BROOKS*

---

The Pony soccer squad began its season with a new field, a record roster of thirty players, and an overwhelming enthusiasm. A somewhat diminutive crew, they were coached by Mr. Hooper and ably led on the field by Gordie Martin, who proved a stimulating captain and an invaluable center half. He was well supported by Jim Seder, who showed courage and a swift pair of hands in the goal, and by Billy Mathews and Frank Dickerson, who both gave evidence of unusual soccer ability.

Redoubtable opponents were found in the Brooks J.V. team, with whom the Governors played a three-game series. In the first game, at Brooks, brawn proved the deciding factor, and the Ponies were fortunate to avoid an

*Photo by Bernard Michalovich*

#### OPENING GAME IN BYFIELD BOWL

The Governors celebrated the opening of the new game field on October 3 by defeating Groton

even heavier defeat than 3-0. In their second game, at home, an early goal gave the Governors confidence, and a marked increase of skill amply made up for their lack of stature so that they won a well-fought game, 2-0.

The final game was played at Brooks on November 12 and raged furiously until night descended upon the contestants with neither side having scored a goal. Honors were pronounced even, and thus a successful season ended with the record of one win, one loss, and one tie.

---

#### C SQUAD FINISHES

*WITH A 4-3 RECORD*

---

*By Jonathan W. Windle*

On October 17 Mr. Withington's "C" squad opened at Portsmouth, New Hampshire, against a well-drilled J.V. team, and Captain

Hadley's team came out on the bottom of a 13-0 score.

With a good crowd on hand, the Redmen next faced the Haverhill High School J.V. team at South Byfield. With their only touchdown scored by left end Dave Fisher, the Governors again came out on the bottom, 26-6.

The third clash for the up and coming "C" squad was against the Andover J.V. "B" team. The Red and White played well both offensively and defensively, and when time ran out they were on top with their first victory, 6-0. Game Captain Thornton Burke was responsible for the only score of the game.

#### *Burke's Long Run Features Danvers Game*

Again Thornton Burke led the Redmen to a victory in their fourth encounter of the season, with a score of 18-0. The Holten High J.V. club of Danvers was absolutely baffled by the Governors' team play. During the first half Dave Fisher received a long pass from

quarterback Bud Hadley and went the distance. In the second half Thornton Burke made the finest run of the season, leaving several Danvers men spread out on the field.

A return game with the Haverhill team was even more disappointing than the first encounter. The Hillers seemed to be full of tricks that day, and they romped in all four periods, building up a score of 36-0.

Enlivened by Game Captain Jack Pallotta, the Red Club picked up their third win against a stiff Belmont Hill eleven. In the first half the Governors took the lead, with Steve Ransom picking up his first touchdown. In the fourth period Charlie Hatfield bagged a pass thrown by one of the Belmont Hill backs and carried it thirty yards across the goal for a final score of 13-7.

The "C" squad season came to an end on November 17 as the Red and White took their fourth win against a very scrappy Newburyport High J.V. outfit. Spurred by Buddy Hadley's interception that he carried seventy yards for a touchdown, the men from Byfield assumed an early lead, but the Portmen were not going to go down without a fight, and had it not been for Boynton's fine work at full-back constantly pounding the line, the Governors might not have squeezed out a 13-7 victory.

---

### VARSITY FOOTBALL TEAM

(Continued from page 10)

---

half, and although they fought gamely, the boys from South Byfield found themselves on the short end of a 26-0 score at half time.

In the second half the Governors battled hard and showed marked improvement, although they still could not generate a scoring drive. The game ended at 39-0.

### *Governors Bow to St. Mark's in Mud*

In a driving rainstorm on the following Saturday the Governors took on St. Mark's on a very muddy Morse Field. In the first half St. Mark's jumped to a 12-0 lead. Led by Captain Larry Goodyear, who scored both touchdowns, St. Mark's looked very good in this half. The Redmen came out fighting in the second half, and after a St. Mark's tackle had scooped up a blocked punt and run 20 yards for a touchdown, the Governors start-

ed rolling. Early in the fourth period Skip Pescosolido passed to Ace Hubbard in the end zone for the first Red tally. Thornton Burke's attempt at the extra point was good, and the lead was reduced to 18-7. Soon afterwards, the Governors gained possession of the ball and set forth on a scoring drive that finally tallied on a pass from Pesky to Co-Captain John Andrew. Burke's place kick was wide this time, and the score stood at 18-13.

### *Governors Bow to Belmont Hill in Final*

In the final game of the year the Governors travelled to Belmont Hill to play a Belmont Hill eleven which up to that time had amassed a rather erratic record. However, the Hillies played superb football and trounced the Governors, 48-13.

The Redmen opened the game with a bang, taking the opening kickoff and rolling 70 yards to a touchdown, featured by the brilliant running of Sam Sargent and Co-Captain John Andrew. The touchdown itself was scored by Sam Sargent, and Ace Hubbard converted to make the score 7-0. Belmont Hill bounded right back and knotted the score and then went on to take a 21-7 lead at halftime. Although the Redmen fought hard, there was no stopping Belmont Hill on this occasion, and the score mounted to 40 before Sam Sargent scored again. Hubbard missed the extra point, and the game and the season ended shortly thereafter.

---

### UNDEFEATED SOCCER TEAM

(Continued from page 10)

---

peppered the nets with a phenomenal five goals, thereby setting a new individual mark for goals in one game. Captain Dave Hicks blasted across the sixth.

The Belmont Hill team, which had been busily preparing for the big game with Governor Dummer, was sadly disappointed on November 14, and was overpowered in a 2-0 decision. Gardiner White scored his long-awaited first goal of the season and the inimitable Shad Tubman followed by polishing off his 18th.

### *Browne and Nichols Bow in Final Game*

Hopes soared as the big game with Browne

*Photo by Bernard Michalovich*

SAM SARGENT CIRCLES THE GROTON END

and Nichols came around on November 18. There was a tremendous amount of support from the school as 130 boys followed the team to Cambridge. Many Browne and Nichols spectators were also there to produce the largest crowd of the year. This was one game the Big Red just had to win, because Browne and Nichols had beaten them in the final game last year and spoiled an otherwise undefeated season.

The only goal of the game was scored by Shad Tubman with less than five minutes of playing time remaining. From then on the Red and White tried desperately to score again but were prevented by the phenomenal play of Single, the Browne and Nichols goalie.

*League Captains in Tie with Governors*

On November 21, more history was made at Governor Dummer. The Governors' undefeated team faced an All-Star squad made up of the captains, captains-elect, and one more selected player from each team in the League. The schools represented were Noble and Greenough, Brooks, Milton, Tabor, St. Mark's, Belmont Hill, and Browne and Nichols. This was the first attempt at such a game, and everyone was eager to have it turn out well. The game ended in a 2-2 tie, which seemed fitting. An overtime was played, but

neither team could score the tie-breaking goal. It was a hard-fought game all the way for both teams. The All-Stars were at a decided disadvantage, however, since they had no practice in playing together. Even so, it only took them a short time to get warmed up and get the feel of playing together as a team. When they did, they managed to give the Governors a few tense moments. The Red goals were scored by Dodd Miles and Shad Tubman. Center forward Alex Goyenicke from Tabor and Paul from St. Mark's scored for the All-Stars.

*TORRID COMPETITION MARKS*

*1953 VOLLEYBALL SEASON*

Two weeks of Poohbah Pushball reached a climax on Friday, December 11, when Mr. Stone's Peach-Pits took two straight from Mr. Withington's Cabbage-Heads.

The Cabbage-Heads assumed an early lead and were undisputed champs in the Vegetable League. In the Fruit League, the Peach-Pits had trailed the Banana-Skins until the next-to-the-last day of competition gave them a tie and one more chance at the steak dinner reserved for the victors.
